Christian V. Siriano was crowned the youngest winner of reality show *Project*

Runway in 2008. Since then, fashion insiders have been praising Siriano's exceptional talent. www.christiansiriano.com

Divine creations are on display, and Avenue Road's style-savvy clients are spoiled with a unique selection of these home-furnishing items. One-of-a-kind stools from Maria Sem Vergonha are a benchmark. www.avenue-road.com

Elegant dining in Toronto welcomes Toca by Tom Brodi. The five-star dining room is located inside the newly built Ritz Carlton

Toronto. Chef Brodi and his team offer signature dishes, as well as Canadian menu items that will dazzle and delight. www.ritzcarlton.com/toronto

Fun and sophisticated and sexy might be the best way to describe both Muxo handbags and its creator, Camila Alves. With help from her designer mother, the Brazilian beauty and better half of Matthew McConaughey is receiving worldwide recognition for her handcrafted leather purses. www.mymuxo.com

Fill your world with family, friends and these fabulous finds.

Generations change, but for the most part, bathroom designs have stayed the same – mundane. Introducing Wetstyle, an award-winning company honoured multiple times for its innovative approach to bath furnishing. The Montreal-based group combines cutting-edge designs with quality materials for solid craftsmanship that lasts.

www.wetstyle.ca

Heat waves are far away, but the hot Lacoste/Malandrino spring 2011 collaboration has us counting down the days to warmer weather. High-end fashion designer Catherine Malandrino has added a certain *je ne sais quoi* to the classic polo brand from France.

www.lacoste.com

Impress your guests and add balance to your room with the sturdy Quadro table from The Company Store. This rustic piece lends itself to many décor styles throughout your living space. Try a decorative stone on its platform for an earthy feel.

www.thecompanystore.com

Jewelry house H. Stern reconnects with American fashion designer Diane von Furstenberg to produce a graceful line of chic jewelry. Shining gold bands clasp water-drop shaped jewels, providing complementing centrepieces for elegant evening wear.

www.hstern.net
