Shhhh... What no one ever tells you about sex p.134

WHAT WOULD Michelle Obama DO?

POLISHED

Her First Ladylike uniform: cardigans, low heels, simple dresses. No stuffy suits here!

LOW-KEY

She uses bold accents (like lots o' bracelets) to chic-ify more basic clothes.

SPORTY

Cute kicks turn this into the perfect outfit for a pickup game... and the requisite photo op.

Steal Mrs. O.'s style! Her feminine-cool looks have boosted America's fashion cred—and they'll do the same for you.

Her favorite style weapons are a cool cardigan (with a print or bright colors) and a big, waist-cinching belt. The first is fun, the second flatters.

Dress, [Cartise](http://Cartise.com), \$235; cartise.com. Cardigan, [Boden](http://Boden.com), \$98; bodenusa.com. Necklace, [Carolee](http://Carolee.com), \$60; [Bloomingdale's](http://Bloomingdale's.com). Flats, [Ivanka Trump](http://IvankaTrump.com), \$120; zappos.com.

Comfy but glam

This dress is easy to move in and also gives a gorgeous shape. Dress, [Cable & Gauge](http://Cable&Gauge.com), \$89; cableandgauge.com. Flats, [Me Too](http://MeToo.com), \$79; [Nordstrom](http://Nordstrom.com). Bracelets, [Sisco Family Jewels](http://SiscoFamilyJewels.com), \$88 to \$110 each; siscofamilyjewels.com.

She owns similar Carolee pearls!

Cropped pants and a printed, arm-baring top give a laid-back look major style points.

Tank, [Marshalls](http://Marshalls.com), \$14.99; marshalls.com. Capris, [American Living for JCPenney](http://AmericanLiving.com), \$35; americanliving.com. Sneakers, [Converse](http://Converse.com), \$45; zappos.com.
