Denver | Lincoln | Omaha | Quad Cities

*Denver Women's Edition*

**Now reaching  
more than 150,000  
women each month!**

*Good Looks*

With warmer weather finally here along with sundresses, shorts, and bathing suits, we might be feeling a little anxious when it comes to our bodies. We realize that the unwanted hair that has been such an annoyance in past years is still there.

*Great Escapes*

If you are looking for a vacation that combines nice weather, art, culture, food, and the outdoors, then you need to pack your bags and head west to New Mexico, specifically to Santa Fe and Albuquerque.
